

HEALTH, SAFETY AND ENVIRONMENTAL (HSE) VISION AND MISSION

VISION

Arienz Solutions Sdn Bhd is aspired and committed to continually improving our performance in relation to Safety, Health and Environment.

MISSION

Protect the safety and health of personnel during worksite activities and those outside our employment that may be affected during our operation and ensure that safety is the prime consideration in their work execution.

Ensure against contamination and disruption to the surrounding, environment and worksite.

Adhere and uphold the standards in Akta Kilang dan Jentera 1967 (Akta 139), Akta Keselamatan dan Kesihatan Pekerjaan 1994 (Akta 514) and Akta Petroleum (langkah-Langkah Keselamatan) 1984 (Akta 302).

OBJECTIVE

Achieve zero accidents, zero lost time injuries, zero injury cases and medical treatment and a zero total reportable injury frequency.

Achieve zero property damage and zero environmental incidents.
